

## OPTI PS 125 / OPTI PS 150 / OPTI PS 300

The steel slitting shears of **OPTIMUM**, a quality product for the trade

### Convincing arguments: quality, efficiency and price

- For cutting steel sheets and steel sheet profiles
- Stable scissors' body
- Ergonomical, good cutting geometry
- Easy, power-gentle cutting over the whole cutting length
- Additional passing through hole below the cutter for exact separation of round bars up to Ø 13 mm
- Stand with holes for safe and fixed mounting
- Robust handle ensures good hold
- High-grade cutters
- The workpiece to be cut is held in a horizontal position with the adjustable holding-down clamp
- A powerful spring prevents the scissors from self-acting closing

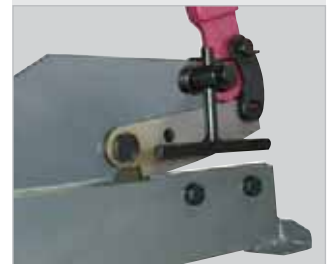

### Convincing arguments...

- High-grade cutter of long edge-life

- Passing through hole below the cutter for exact bars up to 13 mm Ø

- Adjustable holding-down clamp
- A powerful spring prevents the scissors from self-acting closing

- Steel slitting shear with safe stand and holes for fixed mounting
