

OPTI PSM 200 POLISH / OPTI PSM 250 POLISH

Robust machines for polishing metals

Convincing arguments: quality, efficiency and price

- Heavy-duty, long-life industrial model with maintenance-free motor
- Housing made from aluminum die casting
- Balanced rotor with quality ball bearings ensures long service life with very smooth running
- Magnetic switch with lockable emergency stop function
- 3 year-warranty

Ill.: Wall unit

Ill.: Substructure

Extent of supply:

- Soft polishing wheel
- Hard polishing wheel

Convincing arguments...

- Balanced rotor with quality ball bearings ensures long service life with very smooth running

- Soft polishing wheel
- Hard polishing wheel

- User-friendly safety switch according to IP 54 with low-voltage release and emergency-stop button and rubber cap for protection against dust and water

Model	OPTI PSM 200 Polish	OPTI PSM 250 Polish
Item No. (230 V)	310 1320	-
€ (VAT excl.)	169.00	-
Item No. (400 V)	310 1323	310 1325
€ (VAT excl.)	179.00	239.00

Technical data		
Polishing wheel dimension	200 x 20 x 16 mm	250 x 25 x 20 mm
Speed	2,850 rpm	2,850 rpm
Motor power 50 Hz	600 Watt	1,5 kW
Dimensions (L x W x H)	200 x 550 x 260 mm	250 x 630 x 320 mm
Net weight	14 kg	23 kg

Accessories	Item No.	€ (VAT excl.)
■ Wall unit	310 7050	29.00
Overall dimensions (L x W x H): 280 x 300 x 230 mm		
■ Substructure	310 7100	49.00
Overall dimensions (L x W x H): 320 x 270 x 820 mm		
Spare grinding wheels		
Soft polishing wheel		
■ Ø 200 x 20 Ø 16 mm	310 7320	15.90
■ Ø 250 x 20 Ø 20 mm	310 7330	19.90
Hard polishing wheel		
■ Ø 200 x 20 Ø 16 mm	310 7321	15.90
■ Ø 250 x 25 Ø 20 mm	310 7331	19.90
