

quantum TS 305

Disc sander for metal working

Convincing arguments: quality, efficiency and price

- Wide range of applications
- for rough, finish and form grinding of any type of material
- Grinding table swivel from -45° to $+45^{\circ}$
- Mitre cheek with a swivel of -60° to $+60^{\circ}$, supplied as standard
- Balanced aluminum disc plate for smooth running
- Powerful motor

Convincing arguments...

- Suction hole for connecting a suction device, incorporated as standard
- nominal width inside about 40 mm
- nominal width outside about 52 mm

- Mitre cheek with a swivel $+ / - 60^{\circ}$ as standard

- Grinding table swivel $+ / - 45^{\circ}$

Extent of supply:

- Adjustable angular cheek
- Disc plate

Model	quantum TS 305
Item No.	331 0305
€ (VAT excl.)	179.00

Technical data	
Abrasive disc Ø	305 mm
Speed	1,420 rpm
Motor power	900 W / 230 V / 50 Hz
Dimensions (L x W x H)	360 x 440 x 400 mm
Net weight	26.5 kg

Accessories	Item No.	€ (VAT excl.)
■ Velcro rest	335 7801	12.90
Grinding disc - with Velcro		
■ Ø 305 mm K 40*	335 7854	9.90
■ Ø 305 mm K 60*	335 7856	9.90
■ Ø 305 mm K 80*	335 7858	8.90
■ Ø 305 mm K 100*	335 7860	8.90
■ Ø 305 mm K 120*	335 7862	8.90
■ Ø 305 mm K 150*	335 7865	8.90

*Packaging unit and price unit **5 pcs**
